

NORMANOCH ASSOCIATION STOCK

There are certain circumstances where a new stock certificate needs to be issued. They are as follows: Death of a spouse, Name change, Divorce, transfer of Stock due to an Estate or selling of your Culver Lake house. This procedure should be completed as soon as possible to be eligible to vote at the Annual Stockholders Meeting in August once the Board of Directors has approved the change. There is a \$50 charge to change an existing certificate. Please contact the office for further instructions and if you have any questions.

Changes in stock ownership

Your last chance is Friday, July 16, 2010 to get information to the office about any changes in stock ownership still needing to be made to enable you to vote at this year's annual meeting on August 7, 2010. We also need to know if your mailing address has changed.

Please contact the secretary right away to have the records updated if your name is not current on the stock certificate and the corporation's records. There is charge to process this change once the Board of Directors has approved the change.

An ownership change is recognized by the corporation only if the properly completed certificate or an affidavit form (which can be obtained at the business office) and all necessary supporting documents are given to the secretary who will then make the transfer on the corporation's records once approved by the Board.
