WINDJAMMER RACE RESULTS

The monohauls had a good showing for the holiday sail with John Iliff (great to see you sailing!), Mary Weber/Victoria Weunsch, and Mike and Katie Evans bringing their boats to the event. Jan Culp represented the Sunfish class and John Weber, Joe Wuensch, and Gabrielle Wuensch represented the Hobies. Except for the patriotic fervour of the Weber/Wuensch sails, the race on Saturday was a bust. Most of the boats had to paddle to the start and only 3 boats crossed the starting line prior to the race being called.

A special thanks to Paul Sutphen and Earl Clark who commanded the committee boat, for choosing a compassionate A bouy/finish race which would have been a fun race if the wind cooperated.

I guess the Windjammers will have to defer to the boat parade for the festivities this weekend. Hopefully all the sailors (and the wind) will come back out next week! See you on the water Saturday at 10.
