ANCHORS FOR LIFE

One of the best things about summer is the chance that it gives us to experience life in a somewhat different manner than usual. For children and parents there is the break from the normal routine of school and extra-curricular activities. For others it might include time on vacation or time spent with family and friends. It is an opportunity to break with the usual schedule to perhaps slow down a little and take more time to appreciate all that is around and before us.

Certainly long, lazy days at the lake are a welcome break from the busyness that many battle in their normal lifestyle. The sounds of the motorboats, children splashing and swimming, laughter and lingering over meals are all a reminder of the beauty of our relationships with family and friends.

It is so easy to let life rush by without taking the time to appreciate the gifts that we have been given in our relationships with others, but hopefully summer allows us to reconnect a little more and become more focused on those things which form such a foundational part of our existence.

It is often said that when people are facing their own deaths they seldom regret not making more money or owning more property but often lament that they didn't spend more time with their families and friends. So, make it your priority this summer to rekindle those relationships and hopefully keep hold of that as summer ends and 'normal life' resumes.

MEN'S CLUB NEWS

There will be an ice cream social following our Family Night Talent Show tomorrow evening. Please come on out and join us for some good, old-fashioned fun!!

We have a wonderful annual event coming up this month and that is the Steak and Chicken Dinner on Saturday, August 20 from 5-8 pm. It is so great to see everyone coming together to help at this event. The energy is amazing! We will be prepping corn in the a.m. at the clubhouse and prepping chicken the night before starting at 5 pm.

We have received some nice pictures so far this year of some new fish that have been caught and these pictures have already found a spot on the Men's Club wall in the clubhouse. As you are catching lots of fish this summer and taking lots of pictures of those beauties, please drop some photos of your catches in the basket provided on the Men's Club wall at the clubhouse to be included in future displays for the wall. It is a great way to share your fishing experiences with others in the community.

Historical Happenings:

Did you know that the Normanoch News used to be delivered to each home by community kids either by

bicycle or walking? Normanoch News carriers would be assigned a route or shoreline to deliver the news each Friday.

In the July 2, 1982 issue of the Normanoch News, members were encouraged to "Please give your 'Around the Lake' news to your Normanoch News carriers. There is a \$25 award for the carrier with the most news".

Coming events:

Men's Club Meeting, Friday August 19, 7:30 pm (prepping chicken at 5 pm)

Steak and Chicken Dinner, Saturday August 20, 5-8 pm

WOMEN'S CLUB NEWS

It's hard to believe that the summer is already half over. It seems to go by faster every year. What great weather we have been having, though! Culver Lake is truly a beautiful place, and I feel so happy whenever I make that turn at Dales.

BAKE SALE: Tomorrow, Saturday, is the Stockholders Meeting, and the Women's Club is holding their bake sale from 9 to 10. Don't forget to bake and/or buy some tasty treats. There will be something for everyone...all calorie free I believe!

TALENT SHOW: Saturday night is the Talent Show/ Open Mic Nite. Sign up sheets are downstairs in the clubhouse. Come by the clubhouse at 5:30 on the night of the show if you are participating. Otherwise come at 7:00 to watch our talented friends and neighbors. Then stay afterwards for ice cream sundaes.

THEATRE CAMP: We have finished the first week of theatre camp and are looking forward to week 2 and the show on Saturday 8/13. More info to follow. There's no business like show business!

BOOK DISCUSSION: Our book discussion has been moved from Monday 8/8 to Monday 8/15. This change was made by our fabulous facilitator Jessie Martin, and it gives anyone who still needs to finish (or start) a little extra time to read "The 19th Wife". Light refreshments will be served, and you may bring your own beverage of choice.

YOGA AND ZUMBA: We are still planning on meeting and working around theatre camp on Tuesday, 8/9, but will have to be flexible. Yoga is at 1:30 and Zumba is at 7. I hate to miss a week.

KOFFEE KLATCH: There is no koffee klatch on Thursday morning (because of the show) but we are heading overseas for the ever popular Flotilla. We will meet at the Chapel dock and head out to the middle. In the unlikely event of rain, (like last year) we will meet in the Sunset Lounge. Please bring your beverage of choice and a small appetizer or dessert to share.

Have a great week!

Anges Raffetto, Co-President

NORMANOCH ASSOCIATION BADGES

Normanoch Association Badges are issued to a specific person when being issued by the office. These badges are not interchangeable and should not be given to other members of your family or guests. If during a badge check at the clubhouse, it is discovered the badge is not the badge issued, it is a violation of your membership and could result in having to meet with the Board of Directors for revocation of the membership privileges.

BE AWARE OUT THERE

Dear Friends and Neighbors,

The following information was sent to us via E-mail. It caught our eye because the first word was "BE-AWARE". It is about criminals' new tricks. What makes it so dangerous is the fact that it seems so innocent. It warns people to know what money they are carrying. Read on.

Let me begin by saying that the woman who initiated the E-mail, is not local. However, what she has to say can happen anywhere. She tells that she was on her way to work at 5:15 a.m. She stopped at a gas station to get \$10.00 worth of gas and a diet Coke. She took two \$5.00 bills and one \$1.00 bill into the store. As she was pulling away from the store, a man approached her truck. She claims he was clean cut, clean shaven, well dressed, etc. He walked up to her window and knocked. Fortunately, she didn't open the window. When she asked what he wanted, he held up a \$5.00 bill and said she had dropped it. She knew it wasn't hers, and said so. He then began screaming and banging on the window and door, and insisting it was hers. At that point, she just drove away as fast as she could. She still wonders what would have happened if she had opened her window. It certainly appeared to be an act of kindness, but the way he escalated from calm and polite to angry and volatile made her realize that this was a potentially dangerous person. So, "BE AWARE OUT THERE". Be safe and fast thinking. How many of us might have opened that window?

WOMENS CLUB SERVICE PROJECT

This Monday, August 8th we will meet again at 9AM and stay until afternoon. Come for whatever time you have available and help us make little girl dresses.

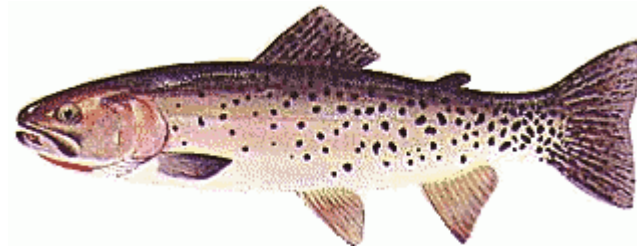

Again this project is easy! We will make little sundresses out of cotton or poly/cotton blend. If you want to bring some fabric, great. Each dress takes either 25" x WOF for the small sizes or up to 30" x WOF for the larger sizes. What we do need is double fold bias tape to put around the underarm edge and to use as ties. Any color you have is great. Not sure what that is? I have a sample hang-

ing in the clubhouse so you will know what to get.

Thank you to all who are participating and enjoying the fun of meeting together plus helping out kids. We are very blessed and it is fun to share!

Questions? Ginny Kopperl 948-5643 or kopperl@ptd.net

See you at the clubhouse with your sewing machine or just willingness to cut and help. Oh colored thread is very helpful to match the fabrics and also trim adds a nice touch like lace or rick rack.

IF YOU SEE A BLACK BEAR...

Bears can make a lot of noise, so they may huff, snap their jaws and slap the ground if they think you are too close. Back away slowly.

A bear that stands on its back legs probably just wants to see and smell you better. Do not be afraid. Let a bear know you are there by waving your arms and talking to it.

If a bear comes toward you,
DO NOT RUN!
Back away slowly and get to a safe area.

HERE ARE SOME TIPS THAT YOU SHOULD FOLLOW IF YOU SEE A BEAR:

IF A BEAR COMES INTO YOUR YARD OR YOU SEE ONE WHILE CAMPING, DO NOT BE AFRAID, BUT REMEMBER THAT BEARS ARE NOT TAME ANIMALS. THEY ARE WILD CREATURES.

- Do not get scared and do not run.
- Do not go near the black bear.
- Never feed the bear!
- Talk to the bear to let it know you are there.
- Do not look directly into the bear's eyes.
- Make sure the bear can get out of your yard or campground easily if it wants to leave. Do not stand in front of the exit!
- Make lots of noise. It could scare the bear away.
- If you are playing with friends, get in a big group. Talk and wave your arms. You will look really big and the bear might leave.
- Always tell your parents if you see a bear!
